

## **LEGAL COMPLIANCE AND GOVERNANCE MANAGER**

### **Your new company**

Ports North is responsible for the development and management of port facilities vital to the economic growth of Cairns and regional centres in Far North Queensland. The Corporation has extensive strategic land holdings and commercial assets across its ports.

### **Your new role**

Reporting to the General Manager Corporate Services you will manage the frameworks required for the company to achieve and maintain superior performance in its legal/statutory compliance, risk management and corporate governance.

### **What you'll need to succeed**

We are seeking a legal practitioner with 5+ years' experience preferably in governance, risk, compliance or policy management. Proven experience in drafting legal documents, statutory interpretation and compliance management together with high level interpersonal and communication skills and a demonstrated ability to establish and maintain effective relationships at all levels of the business is essential.

### **What you'll get in return**

This is a rare opportunity to work with a key employer in the Far North region that boasts strong staff retention and stability. A favourable salary package commensurate with experience is on offer
